I owned a 1989 Yamaha 115 until a couple of years ago, and have several friends who have owned that model. I believe that the V4 Yamaha 115 and 130's were some of the best motors Yamaha has made. If the motor checks out, I would have no hesitations about owning & using it. They are great motors. MyOutrage: posted 03-19-2006 06:03 PM ET (US)
