As a person often accused of navel gazing, I found some validation in Michael Sims's "Adam's Navel: A Natural and Cultural History of the Human Form." Finally, I learned that contemplation of one's navel has rich cultural, scientific, and theological antecedents. Freud saw it as a symbol of the unknown.

The consequential events that followed led to Adams downfall and the human race as a whole, forever being "separated" from God. The Mid-Umbilicist argues that Adam's belly-button was formed sometime between the creation of "Eve," and the time in which it took that "Woman" to take the first bite of that most tempestuous apple.

The cultural views of the navel vary significantly. In some cultures the navel is seen as sexually and culturally significant, and its exposure has been subject to a variety of cultural norms and taboos, based on concepts of modesty. The views, customs and fashions relating to the navel change from time to time, and such exposure has become more widely acceptable, as reflected in design of clothing

You can see it all in Saturiwa Conservation Area: crawling with wildlife, including many rare and protected species, rich in ecological diversity and artifacts illustrating Florida's dramatic history. Mike Adams acquired this 94-acre family homestead on the St. Johns River in southwest St. Johns County in 1989 and named Saturiwa after a powerful Indian chief of the now extinct Timucua Tribe.
