Although *Three Guineas* is a work of non-fiction, it was initially conceived as a "novel-essay" which would tie up the loose ends left in her earlier work, *A Room of One's Own*. The book was to alternate between fictive narrative chapters and non-fiction essay chapters, demonstrating Woolf's views on war and women in both types of writing at once. This unfinished manuscript was published in 1977 as *The Pargiters* .

Three Guineas is Virginia Woolf's response to a letter from a man asking her how to prevent war, sent during the Spanish Civil War and on the cusp of WWII, when Europe was consumed with anti-fascist and anti-Nazi concerns. Woolf's response is well articulated and her arguments are easy to follow, even when she follows a point of contention down a convoluted path; her language and writing style are impeccable.

Virginia Woolf 's *Three Guineas* is framed as a letter to an unnamed man. The unnamed man has asked her for help to prevent future wars. Woolf responds after three years when global politics suggest that another large war may be imminent. Woolf's famed pacifism compels her to think about the subject but she takes issue with the man's framing.
