Stuart Hall's Encoding/Decoding model. Stuart Hall's theoretical framework of encoding/decoding provides a broader spectrum for analysing the interpretation of a mass media message amongst its audience. Durham and Kellner explain that the encoding/decoding theory ventures from previous theories that operated on a much linear framework.

Decoding the Holy Grail introduces the "Potential Molecule" and presents a unified "Theory of Everything" that highlights the connections between science, philosophy, civilization and religion. How did this idea begin and change as you developed it? My search for the truth started it all the real truth, not mine.
