Meantime, Michelle has been out and about in Washington, working at the food bank, tending the garden, shepherding the kids. That, too, is part of the story—and all of it is here, in words and vibrant pictures, in LIFE's Michelle Obama: A Portrait of the First Lady. This is Michelle's story, from her girlhood to her current crucial role. It is not the story of the President's wife. It is the complete, illustrated biography of one of the most intriguing and captivating women in America.
