A public library is a library that is accessible by the general public and is usually funded from public sources, such as taxes. It is operated by librarians and library paraprofessionals, who are also civil servants.. There are five fundamental characteristics shared by public libraries: they are generally supported by taxes (usually local, though any level of government can and may ...

The media can stand alone as their own projects, but if you're feeling adventurous, think about combining two or more of them. Drawing and painting techniques are similar and can easily result in stunning mixed media pieces; don't be afraid, however, to think outside the box and combine materials in an unconventional way, such as embroidery ...

As a mixed-media sketchbook, this Canson XL Multi-Media pad is fairly sturdy, wonderfully wide and a trooper with graphite and coloured pencils, ink pens and when using lightly, alcohol- and water-based markers. And here is where my praise ends. I was in a hurry when I saw "mixed media" and "heavyweight" in the title and tossed it in my basket.
