Practice expressing your thoughts clearly and concisely. You can train your brain to process information more clearly and efficiently by mentally editing the things you say, write, and think. Cut out filler, repetition, and vague words and phrases, and try to rephrase your thoughts as clearly and concretely as possible.

[About Us | Safe Passage International](#)

Sinful thoughts are often something we believers struggle with. Sometimes we have no control as to what thoughts enter our minds, however we are able to take control of these thoughts. God's Word's help us to recognize our thoughts for what they really are, and how to act (or not act) upon them. Use these Bible verses to help control your thoughts in a way God encourages us to.

The law. Under the Workplace (Health, Safety and Welfare) Regulations 1992, you have a legal duty to ensure, so far as is reasonably practicable This means balancing the level of risk against the measures needed to control the real risk in terms of money, time or trouble. However, you do not need to take action if it would be grossly disproportionate to the level of risk.
