[Safe With Me In Seattle](#)

As a woman who lived in the Seattle area for over 20 years, I felt safe busing into Seattle and visiting Pike Place Market alone. If walking with a group of girlfriends, and using common sense and avoid sketchy allies/dark empty side streets etc, I felt perfectly safe at night. Come see the Troll, visit Alki Beach, wander Pike Place, and bring ...

This video angered me because: Safe spaces, to me, aren't about being around like-minded people or only being immersed in one way of being or thinking. Safe spaces aren't meant to keep me or others safe from disagreement or difference—they're meant to create space for folks that don't get the microphone often enough so that the conversation is ...
