of secularisation, rules out the one qualitative dimension that the debate now demands. As he writes in the introduction to his Secularisation in western Europe, 1848-1914 (2000) There is one way of understanding secularisation which I shall not be using. An allegedly 'traditional' form of Christianity or Judaism has sometimes been presented

[Secularization - Wikipedia](#)

This chapter argues that secularization is proceeding apace on both sides of the Atlantic – at different speeds and at different levels. It describes systematic and consistent evidence establishing the variations in religiosity among postindustrial nations, in particular, contrasts between America and Western Europe. It compares and contrasts two alternative explanations for transatlantic ...
