Finally, one sees the deceptive but endearing Charles Leadbeater - Krishnamurti's mentor, a man not without streaks of genius himself, and without who none of this story may have taken place. The star rising in the east, as the book, using Theosophical language, calls Krishnamurti, is astounding in its power, but also burns in its fire many who come close to it.

In 1920, Krishnamurti's younger brother Nitya replaced Wodehouse as Organising Secretary. The next year, the first international Congress of the Order of the Star in the East was held in Paris, France, attended by 2,000 members out of then about 30,000 worldwide.

[Star in the East: Krishnamurti, the Invention of a Messiah ...](#)

Star in the East: Krishnamurti is well researched, and a delight to read. Regardless of your personal perspective, the story of Krishnamurti is relevant and important to understand. It bridges the Victorian and Edwardian societies of the turn of the century, with the idealism and hope for a better world, with a "new" approach to creating a universal brotherhood focused around a single world religion.
