Starbucks on the Issues We think it's important to take a stand on issues to support our business and because it's who we are and how we operate. That's why we believe we have a responsibility to advocate policies that support not only the health of our business, but of our partners (employees) and communities we are part of.

[1. PURPOSE 2. - Starbucks Coffee Company](#)

Health and safety at Starbucks. Being the coffee-freak that I am, I have a flask that I use when I visit Starbucks. It's one that was designed by Starbucks, branded with a subtle Starbucks insignia, and means that not only does my coffee last for about an hour and a half, but also that I spend less as it's a medium (sorry, "grande") size rather than the large (sorry, "venti") size that I ...
