Here's why Richard Dean Anderson stepped away from Stargate SG-1. The Stargate franchise launched back in 1994 with the blockbuster movie of the same name from Independence Day director Roland Emmerich. The story followed a team of soldiers and scientists who cross through the titular gateway to another world and it starred James Spader and Kurt Russell.

The Stargate franchise ran for more than a decade with three live action series and a few

movies (and a web series) along the way. But after being mothballed the past few years, it sounds like we're closer than ever to actually getting the 'Gate back online. We already knew former producer Brad Wright, who helped shape the franchise across the runs of Stargate SG-1, Stargate Atlantis and ...

For the first time ever Stargate is available on Blu-ray. The Blu-ray release is a somewhat budget release with upscaled video, but is a massive improvement on the DVD version. There is one negative if you are an audiophile - apparently the 5.1 audio mix is pretty poor as they used the wrong version.
