Block's intentions in Stewardship are good, to provide a method for organizations to choose service over self-interest, but I found his assumptions remarkably narrow-minded. The ideals of his stewardship model call for a certain type of employee - a passionate, driven, and largely entrepreneurial employee.

Stewardship is about choosing service over self-interest. It begins with a willingness to be deeply accountable for a body larger than yourself - for a team, an organization, a community. Imagine how strong your organization would be if everyone were deeply committed and accountable for its success. These are not new ideas.
