Part sticker craft, part paint by numbers, StickTogether kits come with a coded poster and sticker sheets that tell your child which color goes with which letter on the poster. Though it looks tricky, children as young as five can do it—picking up the stickers and placing them down is a good workout for their fine motor skills.

Monster Energy's marketing and positioning has been somewhat of a marvel to witness ever since cans of the sugary substance hit the hands of consumers in 2002.. During its ongoing 15-year battle with Red Bull as the most relevant energy-drink company on the global market, Monster became a near-\$30 billion behemoth with a marketing model mostly devoid of paid media, ad buys and creative ...

Don't let any fashionista tell you otherwise! The only things stopping me from a 5 star review is the fact that they are a tad thin, but nothing bad, and ideally I like my socks to be super long and thus still be hanging off my toes after they hit my knees, so I slightly prefer XL size/Big & Tall/custom-made white over the calf tube socks.

December is a time for Christmas traditions, and days are filled with holiday cookie baking, trips to see the best Christmas light displays, and maybe even daily visits from the Elf on the Shelf. But when it comes to counting the days to Christmas, the advent calendar is a family favorite year after year. If your little ones wake up every morning excitedly asking, "How many more days until ...
