Told in the form of a diary, Sue Townsend's young adult novel *The Secret Diary of Adrian Mole, Aged 13¾* (1982) details the existence and struggles of the titular British boy who, fancying himself an intellectual, often misunderstands the events surrounding him. The novel opens with the January 1st entry, in which Adrian lists his New Year's resolutions and complains that his father, George, got the dog drunk at the party the night before.
