Strategies of Containment is critically written for an intellectual discussion on nuclear deterrence, and how the US policy of deterrence evolved ever so slightly over 50 years. I strongly recommend this book for anyone interested in military history, politics, or international studies.

[Strategies of Containment: A Critical Appraisal of](#)

Strategies of Containment is an ambitious work that attempts to synthesize United States foreign policy throughout the entire Cold War into a unified whole. John Lewis Gaddis succeeds in this by asserting that the ideas set forth by George Kennan as head of the Policy Planning Staff defined the terms of containment that lasted throughout the period.
