StudyBlue can even connect students in specific classes, letting them message each other and collaborate on projects. The site also has a diverse content library, multiple study modes, class-based study guides, storage for all your notes, and a real-time self-assessing score that tracks your progress on a subject.

[Student Guide - Canvas Community](#)

Students should establish a plan for how they want to study. Eliminating distractions helps facilitate studying, so I suggest that they turn off their phones, find a quiet space, and use paper and pencil rather than electronic devices. Encourage students to break their study into manageable chunks.
