The Subaru Impreza Reliability Rating is 3.5 out of 5.0, which ranks it 33rd out of 36 for compact cars. The average annual repair cost is \$653 which means it has average ownership costs. While repairs tend to be more severe than average, these issues occur less often, so major repairs are infrequent for the Impreza.

Lock camshafts, as required, and note position of camshaft timing marks. Remove timing belt tensioner and idler pulleys. Remove timing belt. If replacing the water pump, do so at this time, and of course drain the cooling system first. If the engine cooling system thermostat is only accessible with water pump replacement, the thermostat should be replaced as well.
