3. How complex is your book? Editing academic work to a niche style guide will cost more than editing a novel per the Chicago Manual of Style. Editing a book with hundreds of footnotes or endnotes should cost more than editing a book without citations. In other words, the complexity and niche of your work will affect the book editing rate. 4.

Line editing involves editing a book sentence by sentence (or line by line) to upgrade the prose, always keeping craft in mind. A line edit ensures that your book's content is consistent while its language is creative and concise. Basically, line editing perfects your manuscript's clarity and style – hence why it's also known as "stylistic editing."
