[*The Historical Consumer - Consumption and Everyday Life in ...*](#)

The Historical Consumer is divided into three parts: 1) the household and consumption as they relate to gender in Chapters 2-4; 2) how consumption changed (and how much remained the same) over the course of the modern period in Chapters 5-8; 3) the geographic expansion of modern forms of consumption through new railroads and expanding postal services in Chapters 9-12. Chapter 13, the final chapter, includes a synopsis of the contributors' findings.
