Abstract. Between the late 1880s and the onset of the Second World War, anti-slavery activism experienced a revival, with organizations in Britain, Italy, France, and Switzerland working together to fight the continued existence of slavery and slave-trading in Africa. The book focuses on these anti-slavery groups in the interwar years, when slavery in Africa became a focal point of humanitarian and imperial interest, linking Catholic and Protestant philanthropists, missionaries of different ...

In this rich intellectual history, Cemil Aydin challenges the notion that anti-Westernism in the Muslim world is a political and religious reaction to the liberal and democratic values of the West. Nor is anti-Westernism a natural response to Western imperialism. Instead, by focusing on the agency and achievements of non-Western intellectuals, Aydin demonstrates that moder.

The Politics of Anti-Westernism in Asia offers a rare, global perspective on how religious tradition and the experience of European colonialism interacted with Muslim and non-Muslim discontent with globalization, the international order, and modernization. Aydin's approach reveals the epistemological limitations of Orientalist knowledge categories, especially the idea of Eastern and Western civilizations, and the way in which these limitations have shaped not only the contradictions and ...
