[The Politics Of Marginality Race The Radical Right And ...](#)

There are two types of marginality: imposed marginality and marginality by choice. Powerful groups using an array of legal, social, economic, and political measures push less powerful groups to the edges of the society and generally attempt to utilize them in the labor market, but in other ways render them invisible (Dennis 2005).

Rapid growth of the US penal population over the last two decades has coincided with a decline in the number of welfare recipients. While shifts in crime rates, economic and political considerations most commonly account for variations in incarceration, we place the rise in incarceration levels in the institutional context of welfare state retrenchment.
