Social Democrats, USA (SDUSA) is a small political association of democratic socialists and social democrats founded in 1972. The Socialist Party of America (SPA) had stopped running independent presidential candidates and consequently the term party in the SPA's name had confused the public. Replacing the socialist label with "social democrats," was meant to disassociate the ideology of SDUSA ...

[Home - Social Democrats](#)

Social democracy is the strand of socialism closest to the centre of the political spectrum. In terms of economic policy, social democrats believe strongly in the virtues of co-operation between the government, the unions and management.

[Social Movements and the Party - Autopsy: The Democratic ...](#)

Social democrats believe that governments should invest heavily in education and use education as a means to improve equality of opportunity, which in turn is the best way to ensure that education also contributes to economic growth. Social Democratic perspectives exercised a strong influence on British educational policies in the 1960s and 70s.

[Social Democracy in America? | Dissent Magazine](#)

In the early 20th century, the German social democratic politician Eduard Bernstein rejected the ideas in classical and orthodox Marxism that proposed a specific historical progression and revolution as a means to achieve social equality and advanced the position that socialism should be grounded in ethical and moral arguments for social justice and egalitarianism that are to be achieved through gradual legislative reform.
