The hand-knotted piece, produced in Nepal, is made in accordance with the ancient and complex oriental process of knotting wool. Equally poignantly, Narciso is made of 100% wool Himalayan, a naturally robust and resistant material attributed to its high concentration of lanolin present in every fibre, thereby guaranteeing extreme durability of the rug over time.

Founded in 1979 by Phyllis Lambert, the Canadian Centre for Architecture has pursued its mission of making architecture a public concern for 40 years. As a center for research in the field as well as a public museum with a singularly extensive collection, the institution is recognized nationally and internationally for its incisive voice in the discourse on the built environment.
