### [Working Smart: Soft Skills for Workplace Success](#)

Hard workers want all the possible  
work to be done, while smart  
workers don't bother with most of  
the work they should do. Instead,  
they brutally focus themselves  
only on the tasks that bring the  
biggest long-term impact, and  
those are all the tasks connected

with creating, delivering and capturing as much value as possible.
