**Doing Research in
Fashion and Dress - The
Textile Institute**

A research paper on fashion history compares and contrasts a type or style of clothing and determines how previous decades have influenced future fashion trends. The topic of fashion icons may

be used to explore a distinct impact that a specific person has had on fashion. This type of paper references what the icon is known for, how the icon changed the fashion industry and which of those changes have lasted. Fashion materials and design are more tangible subject matters.

Another tip, which is
inspired from something a

London College of

Fashion tutor taught, is to

include research on something organic, a style of architecture, and an era of fashion in your research. This could be, for example, butterflies, ancient greek architecture, and the twenties.
