Travel in 2020: Museum exhibits worth planning a trip around

The Wonderful Wizard of Oz, published in 1900, is the first fantasy written by

an American to enjoy an immediate success upon publication. So powerful was its effect on the American imagination, so evocative its use of the forces of nature in its plots, so charming its invitation to children of all ages to look for the element of wonder in the world around them that author L. Frank Baum was
