Herbert A. Simon - Biographical - NobelPrize.org

Herbert A. Simon was the self-proclaimed, and proclaimed, "prophet of bounded rationality" (Simon, 1996, p. 250; and Sent, 1997, p. 323). In spite of the tone of such statement, it is beyond doubt that, in economics at least, the concept of bounded rationality is firmly associated with Simon's name, and conversely, and
