Body odor is the perceived unpleasant smell our bodies can give off when bacteria that live on the skin break down sweat into acids. Some say it is the smell of bacteria growing on the body, but it is actually the result of bacteria breaking down protein into certain acids. Answer #10 Make sure you wear clean clothes.

### **I Stink**

I Stink! is a wonderful concept book about a garbage truck that loves to gobble up everyone's trash as they sleep. Wonderfully illustrated in what looks like pencils and crayons in a cartoon type style, and accompanied by creative font styles, sizes, colors, and arrangements, the reader can not help but feel as if the loud, bossy trash truck has come to life while reading.
