The art of distilling whiskey and gin

Blended whisky still gets a bad rap in whisky circles. It's often seen as an inferior product, compared to the great single malts of Scotland. This notion, however, is simply

incorrect. Some of the most balanced whiskeys in the world are blends—voted as some of the best time and time again.

High Wire Distilling: The Art Of Making Whiskey From ...

The Art of Irish Whiskey Distilling STEP 1 – MALTING Malted barley is a key component of whiskey production. Malted barley is produced by steeping raw barley in warm water for 40-60 hours at a temperature of 12-15 degrees in order to make the barley think it is spring time in its natural life cycle and the barley begins to germinate.
