The Best Care Possible: Review - Ira Byock

Possible definition is - being within the limits of ability, capacity, or realization. ... or manners the best possible care the worst possible

circumstance. 2 a: being something that may or may not occur ... the best of all (possible) worlds. whenever possible. within the realm of the possible. Statistics for possible.

What is another word for "best possible"?

The best care possible only comes from an understanding of what makes people tick, what their values are, and how those values apply to care. That is the connection with end-of-life care; nowhere is it more critical to get it right than at the end, when there won't be a second chance.
