No Place For Racism and Tribalism In Islam, By Murtadha ...

Tribalism is the state of being organized by, or advocating for, tribes or tribal lifestyles. Human evolution has primarily occurred in small groups, as opposed to mass societies, and humans naturally maintain a social network. In popular culture, tribalism may also refer to a way of thinking or behaving in which people are loyal to their social group above all else, or, derogatorily, a type of discrimination or animosity based upon group differences.
