### **Who Are We? The Challenges to America's National Identity ...**

We have to know who we are before we can know what our interests are. If American identity is defined by a set of universal principles of liberty and democracy, then presumably the promotion of those principles in other countries should be the primary goal of American foreign policy.

### **Who are you?: Who are We? The Challenges to America's ...**

It is the same with Huntington's last book *Who Are We?: The Challenges to America's National Identity*, which was published in 2004. Huntington's defense of a distinctively American identity met with furious criticism on the Left.

### **Who are we? | The New Criterion**

Huntington argues the need for us to reassert the core values that make us Americans. Timely and thought-provoking, *Who Are We?* is an important book that is certain to shape our national conversation about who we are. Thoroughly researched and carefully argued—as close to racial consciousness as a mainstream figure can safely get. — Jared ...
